

Sound Cards and Sound Blending Books

Guidance on Read Write Inc. Sound Cards:

Sound cards will be sent out from summer term in Nursery when children start to learn the pictures and then the single letter sounds.

The sounds sent home will have been practised in class and will be reviewed every day in school.

Use these as flashcards to help children to practise recognising the pictures or sounds.

Play games with the flashcards such as hide and seek, timed race, stepping stones.

Watch this video to hear how the sounds are said [Parents - Ruth Miskin Literacy](#)

Guidance on Read Write Inc. Sound Blending Books:

Sound blending books will be sent home when your child knows a collection of sounds that they can then sound out and blend to read a word. As children learn more sound a new sound blending book can be sent home.

Encourage children use their fred talk to say the sounds and read the word.

Your child can check if they have got the word correct by looking at the word with a picture on the next page.
